Team Leader Fiber Sales - Port Moresby

We're looking for a highly motivated individual to join us as Team Leader Fiber Sales in Port Moresby. In this role, you'll be responsible for business development, sales closure, and commercial delivery tracking of FTTX (Fibre-to-the Premise/Building/Home) across all designated regions.

The successful applicant will meet the following minimum requirements:

- Bachelor's degree in business, commerce, telecommunications engineering, or related field
- 5+ years in sales or engineering roles with a focus on telecommunications
- Knowledge of FTTX technologies and strong project coordination skills
- Excellent communication and problem-solving skills.
